

# VICTOR RUBBER WORKS

AN ISO 14001 : 2015 Certified Company

**Manufacturer & Suppliers**

**Extruded & Moulded Rubber Products**

(Latest Microvave Curing Facility)

**Since 1973**

## ABOUT US

Entrusting on 44 years of experience, Victor Rubber Works are established manufacturer, supplier and exporter of quality assortment of rubber products. Established in 1973, the league is headed by Mr. S.K. Mendiratta (CEO), who constantly guides our workforce to meet the requirements of our clients. Since laying the first stone, we are supplying to large OEM's, which is increasing gradually with the understanding of present industry.

## PRODUCT RANGE

- Wind Shield Rubbers
- Co- Extruded Profiles
- Glazing Rubbers
- Building Profiles
- E.P.D.M.- Cellular Profiles
- Flocked Glass Run Channels
- Silicone Rubber Cords
- Viton Gaskets
- Silicone Transparent Tubings
- Rubber Sleeves
- Neoprene F.R Grade Panel Gaskets
- E.P.D.M. Wheel Chowks

## We Manufacture Items From

- E.p.d.m. Rubber
- Silicone Rubber
- Viton Rubber
- Neoprene Rubber
- N.B.R Rubber
- Natural Rubber

## Testing Facilities

Own Latest Testing Laboratory

**Note:** We also undertake special items in Rubber Profiles as per Customer's Drawing & Specifications.

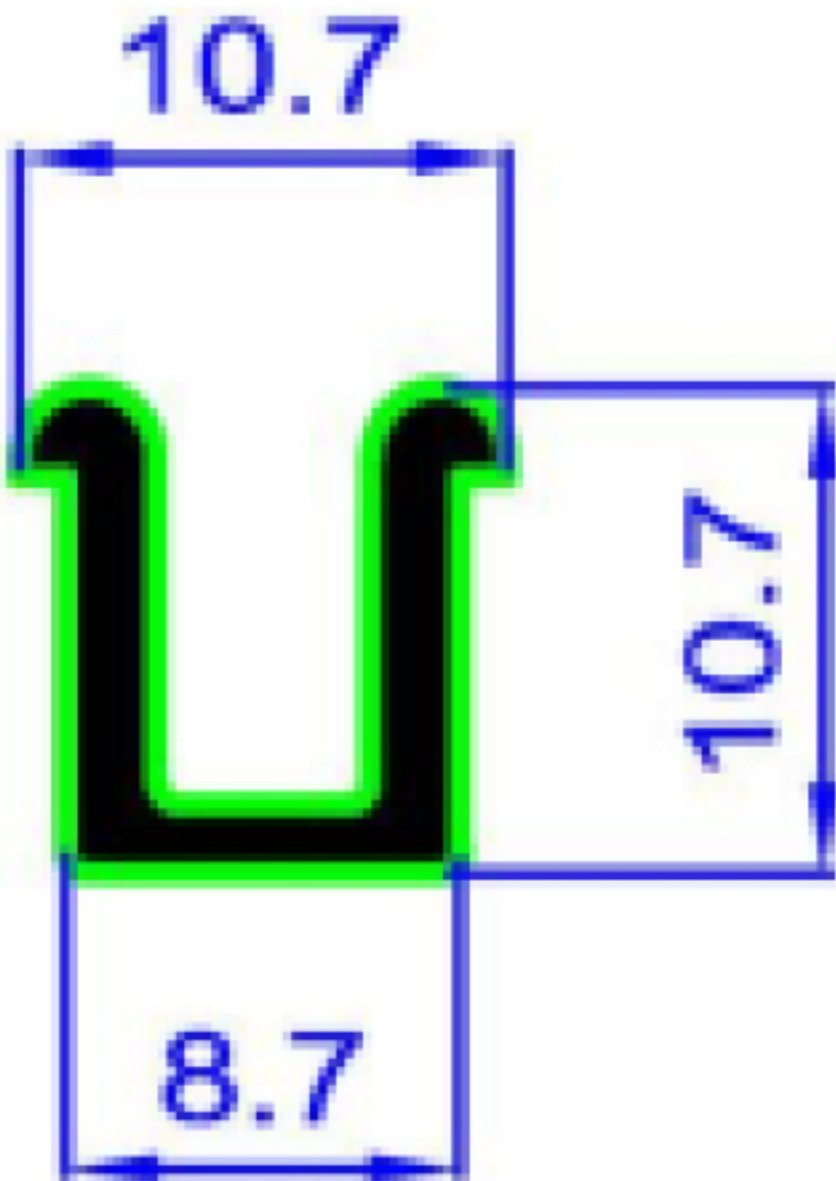

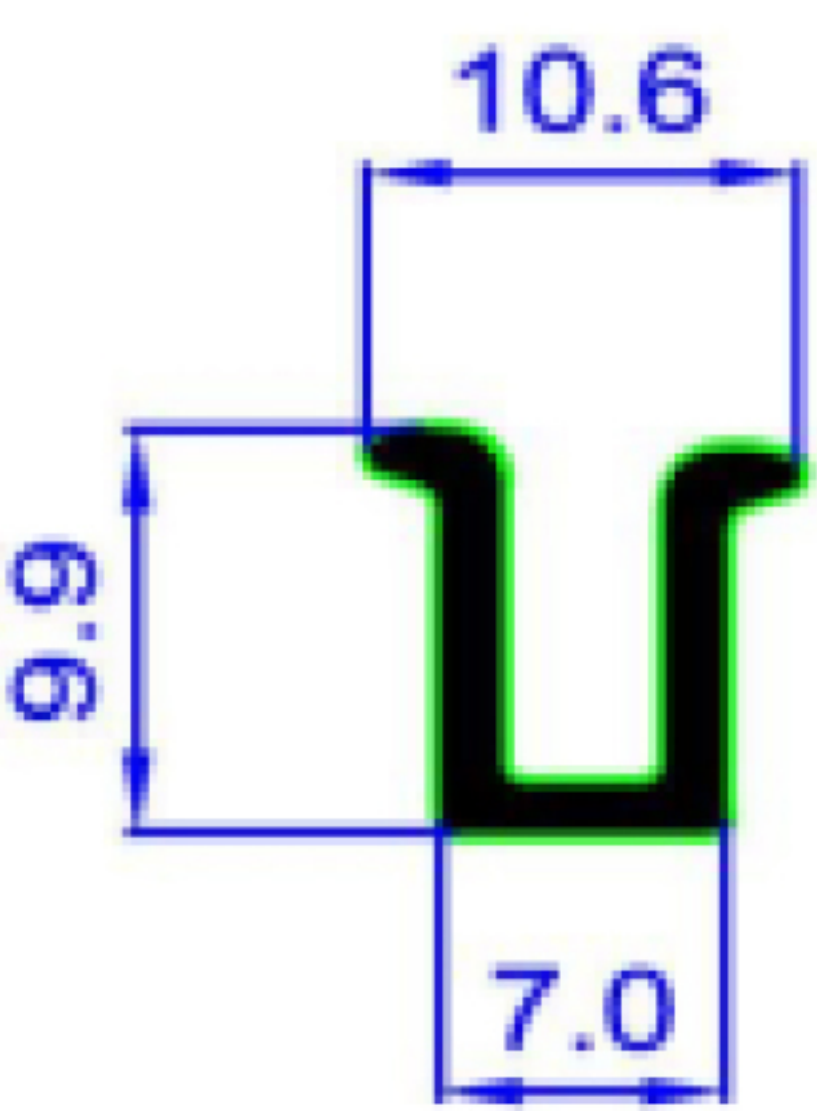

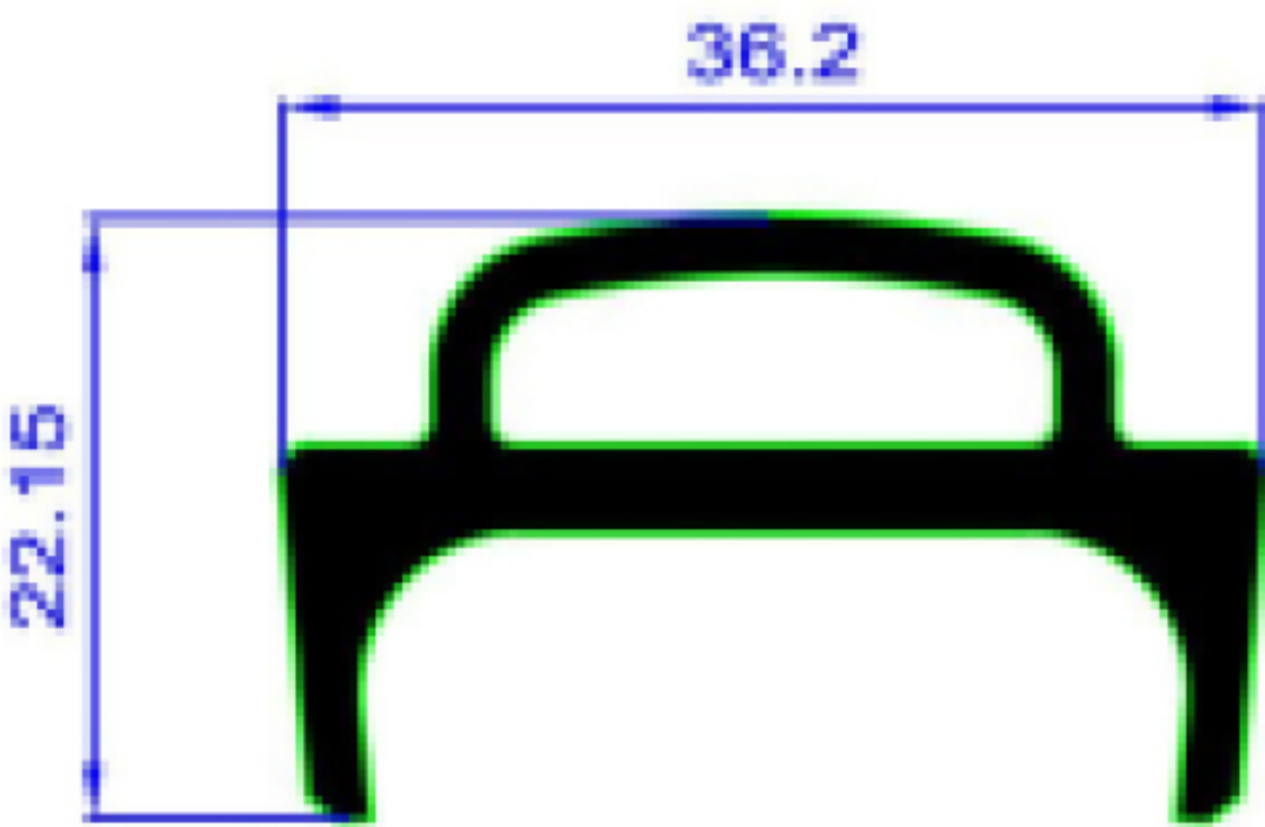

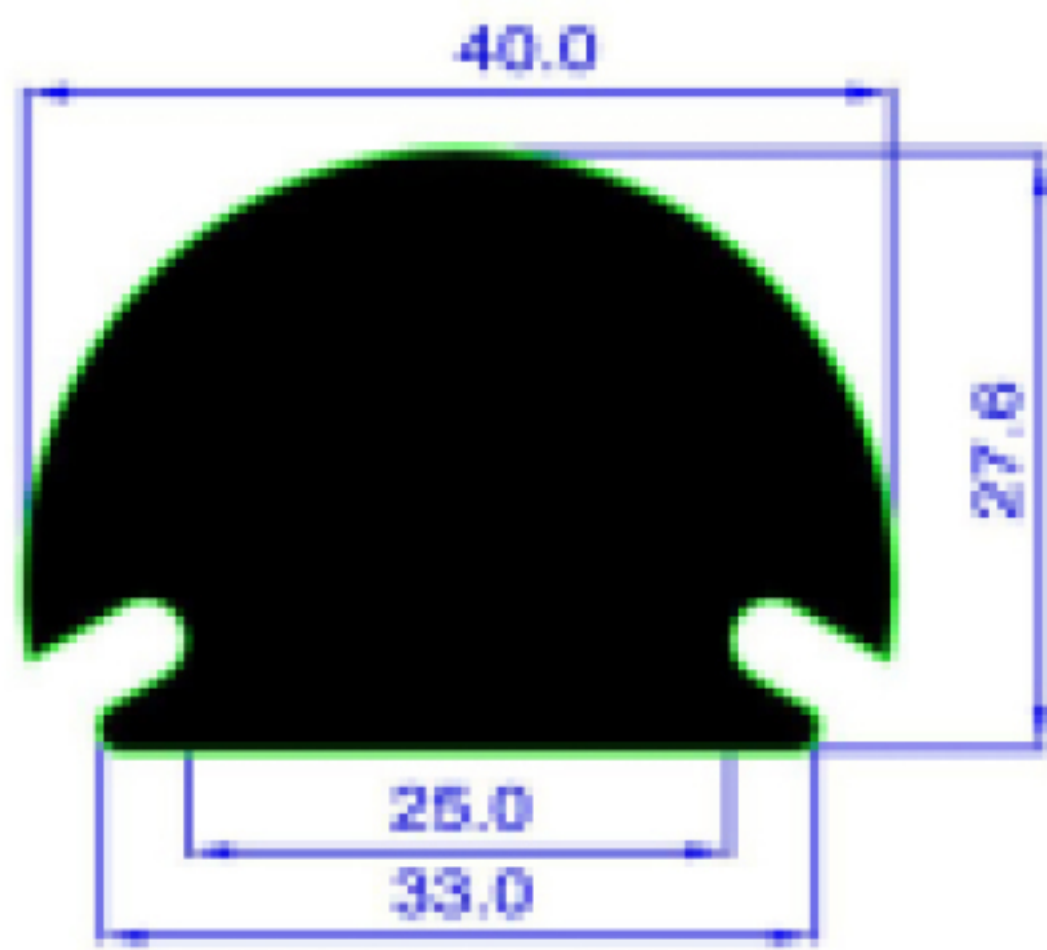

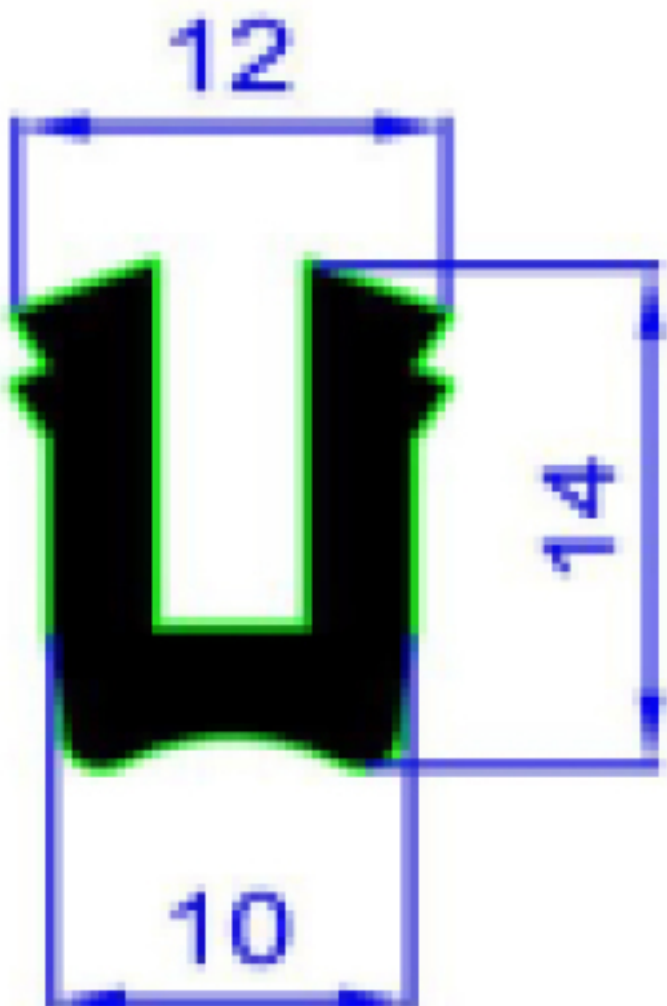

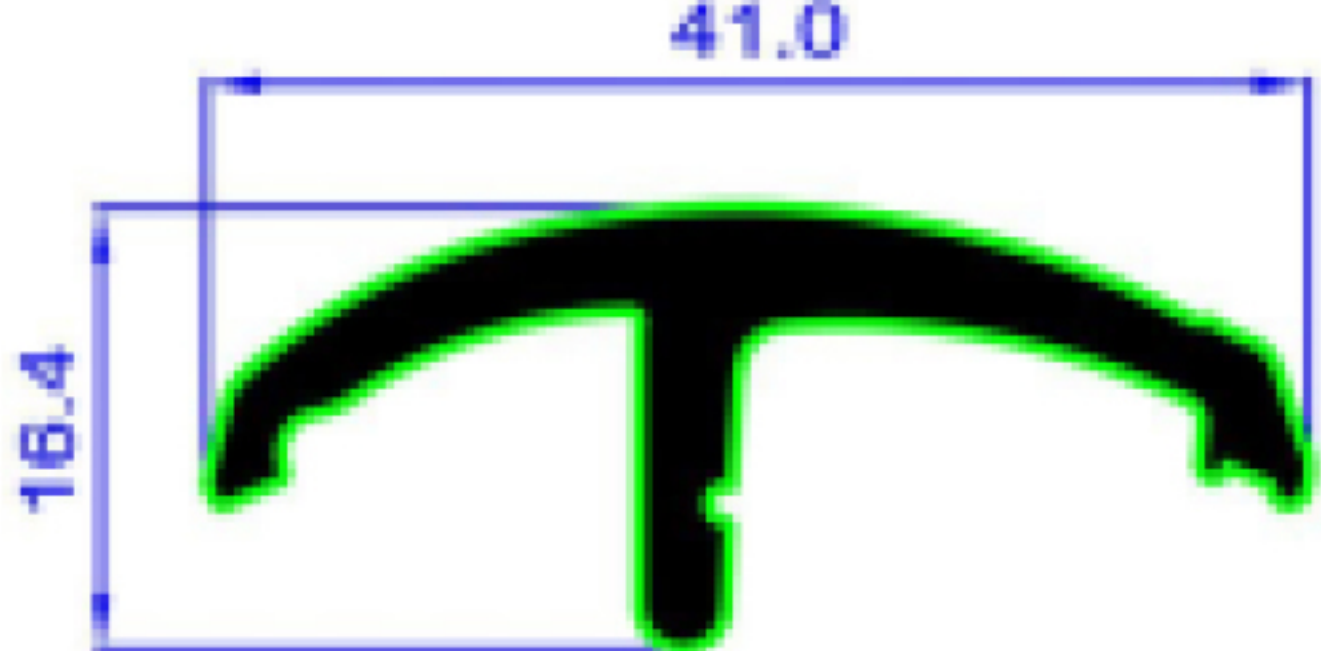

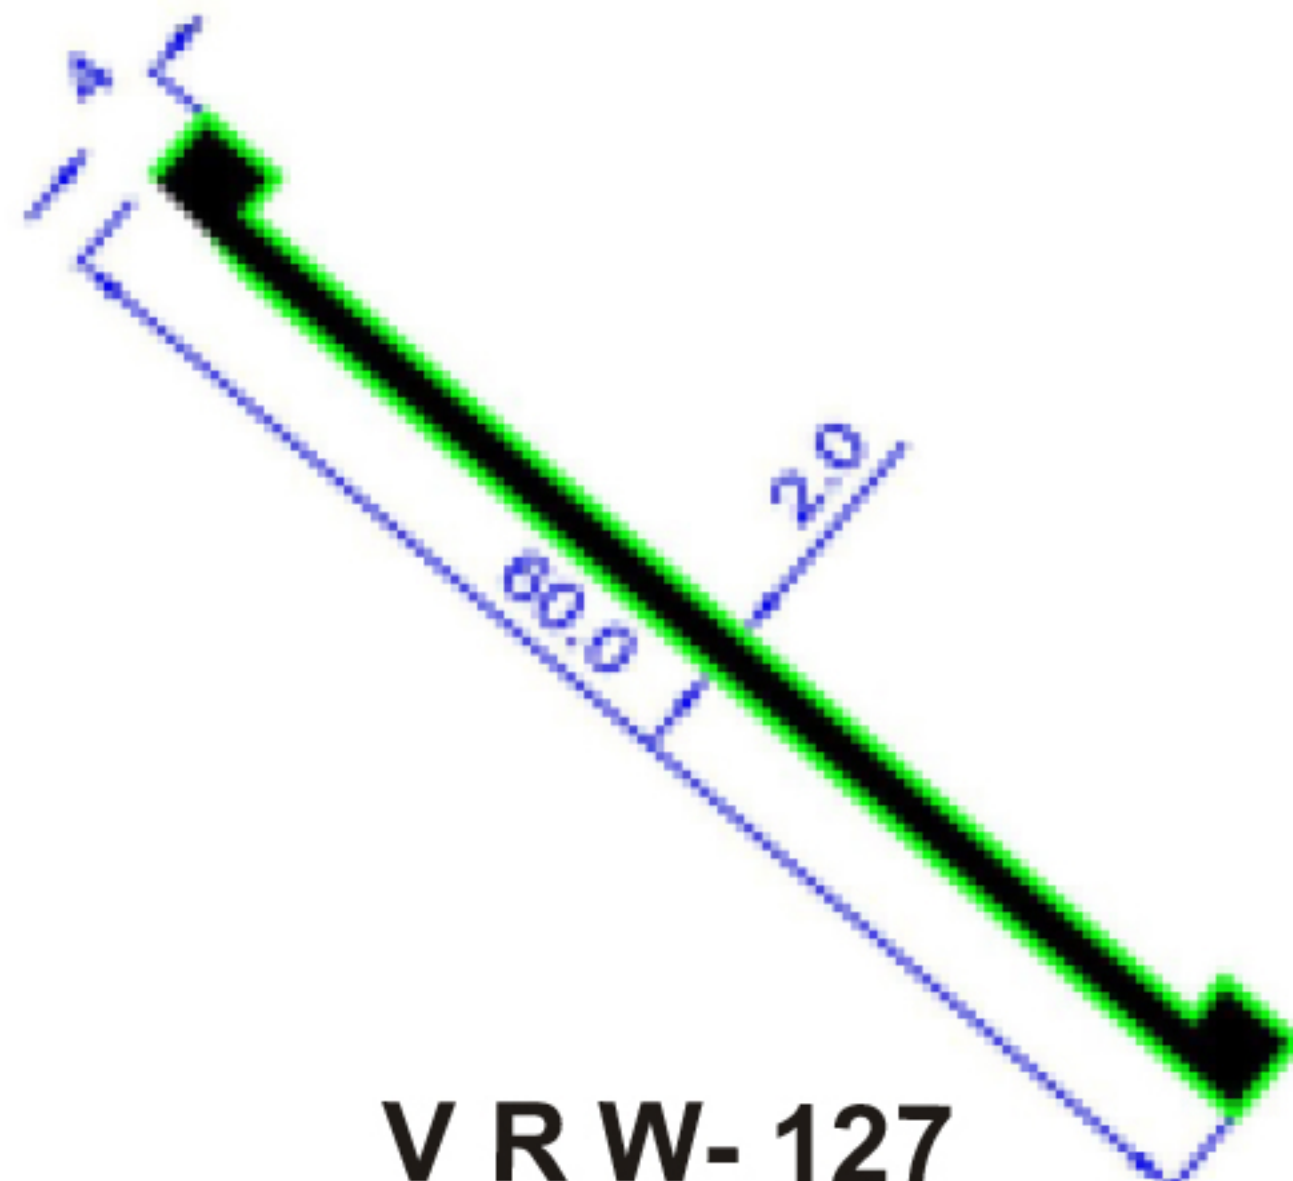

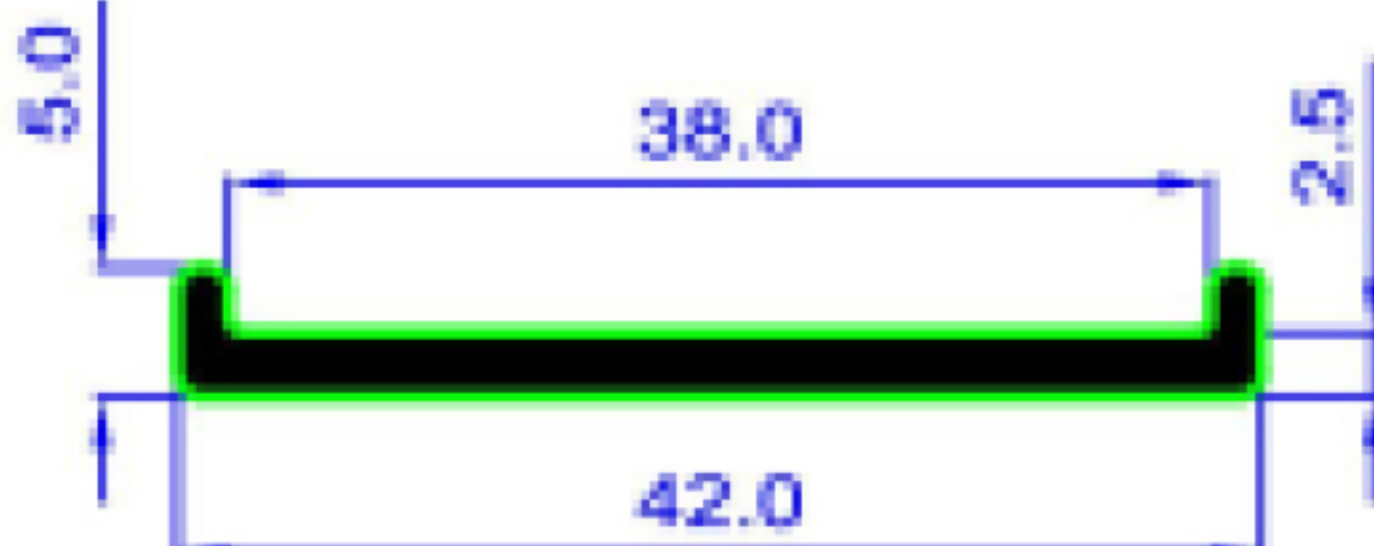

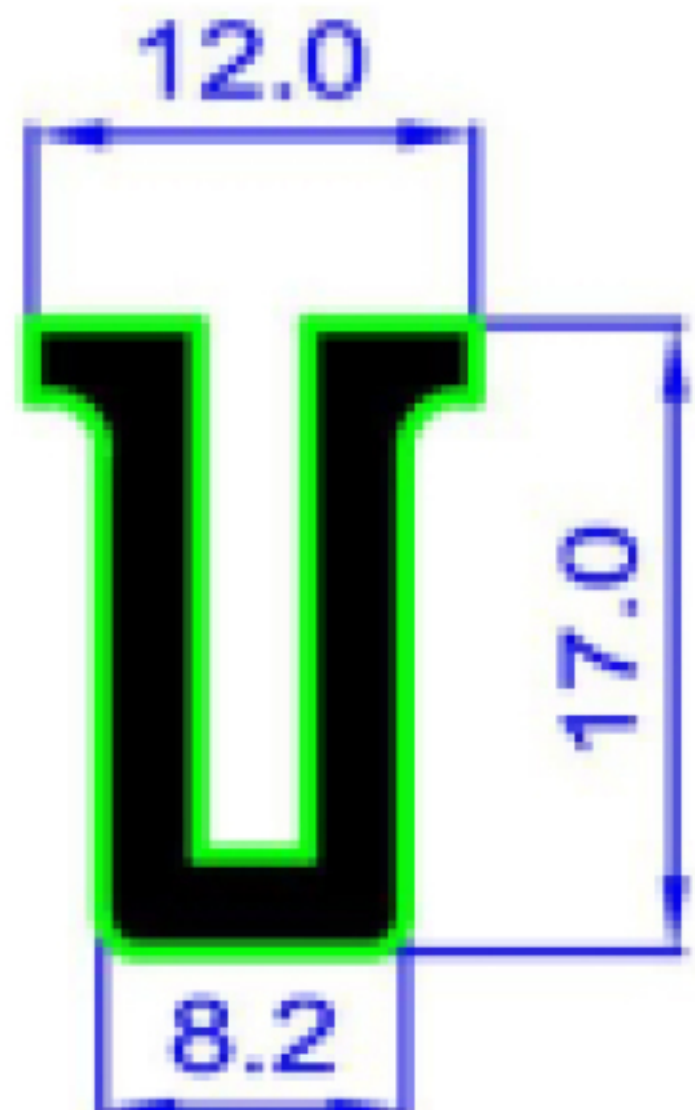

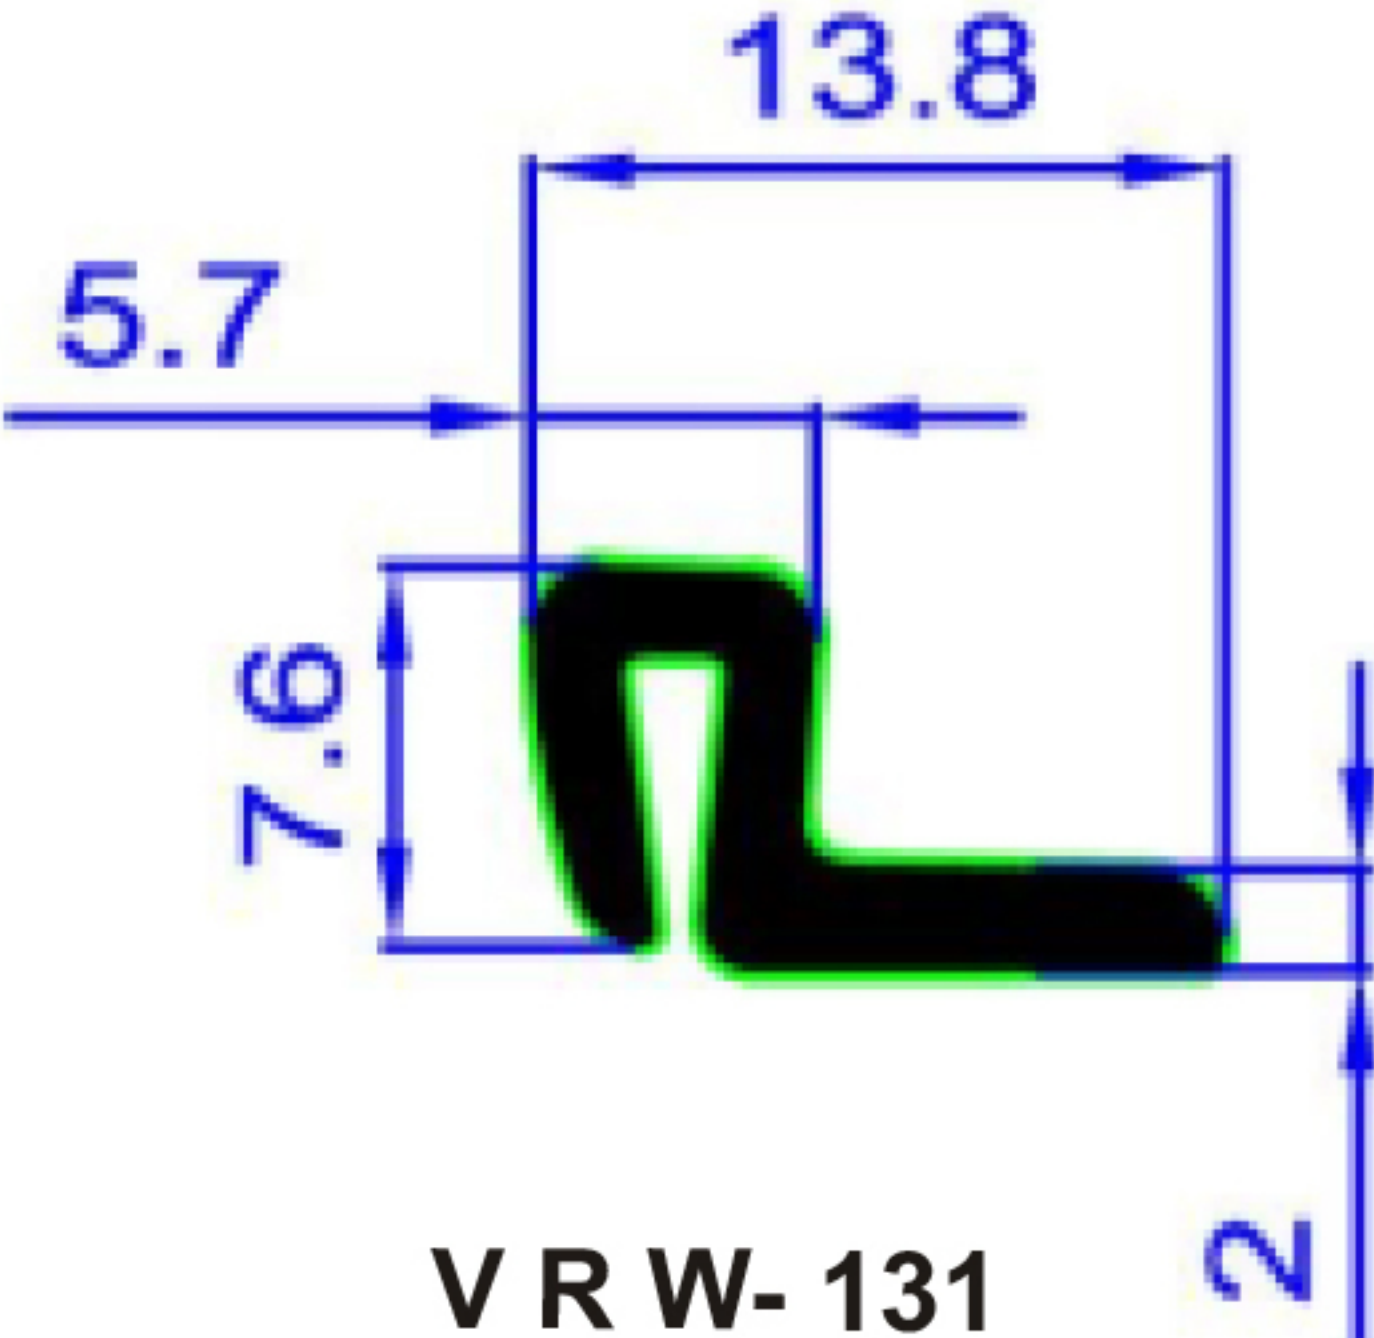

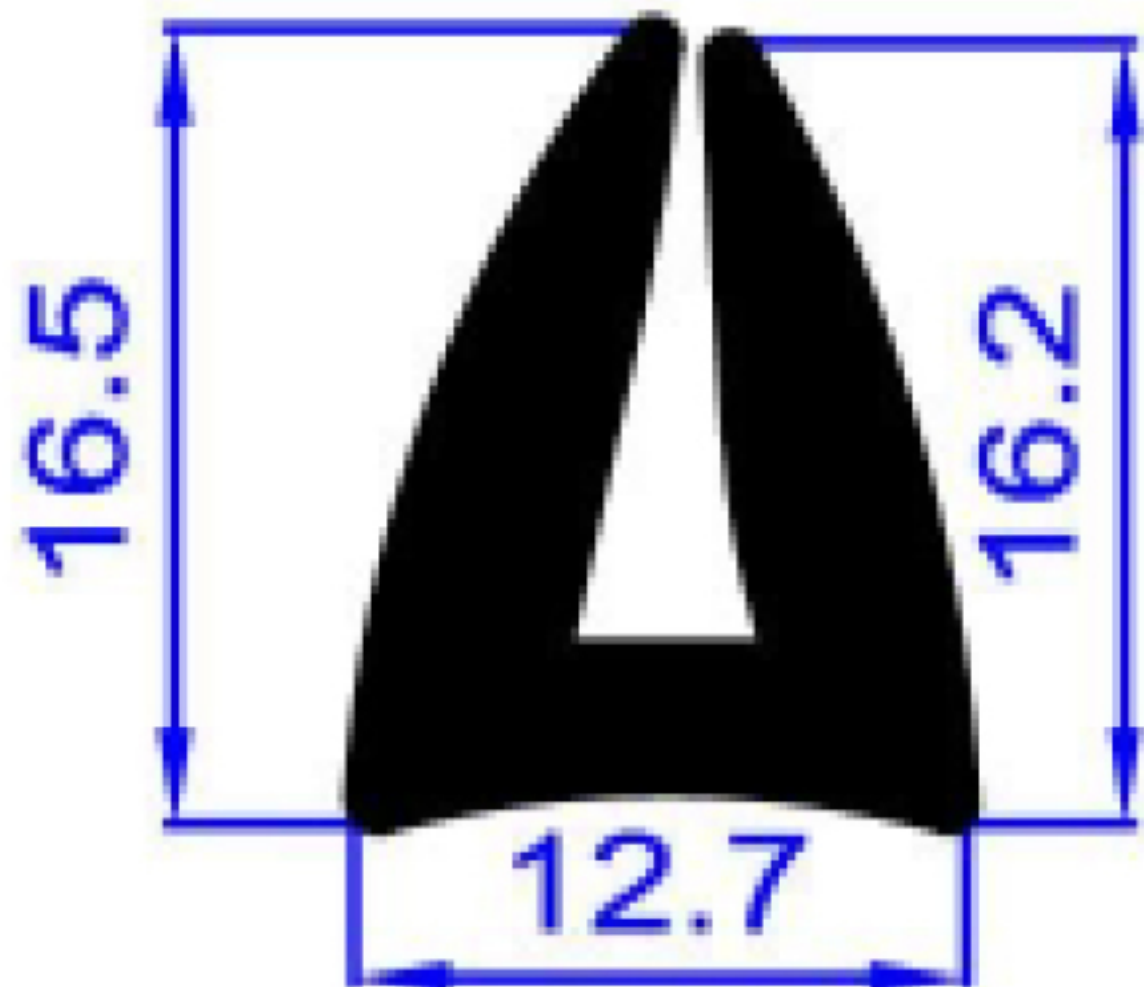

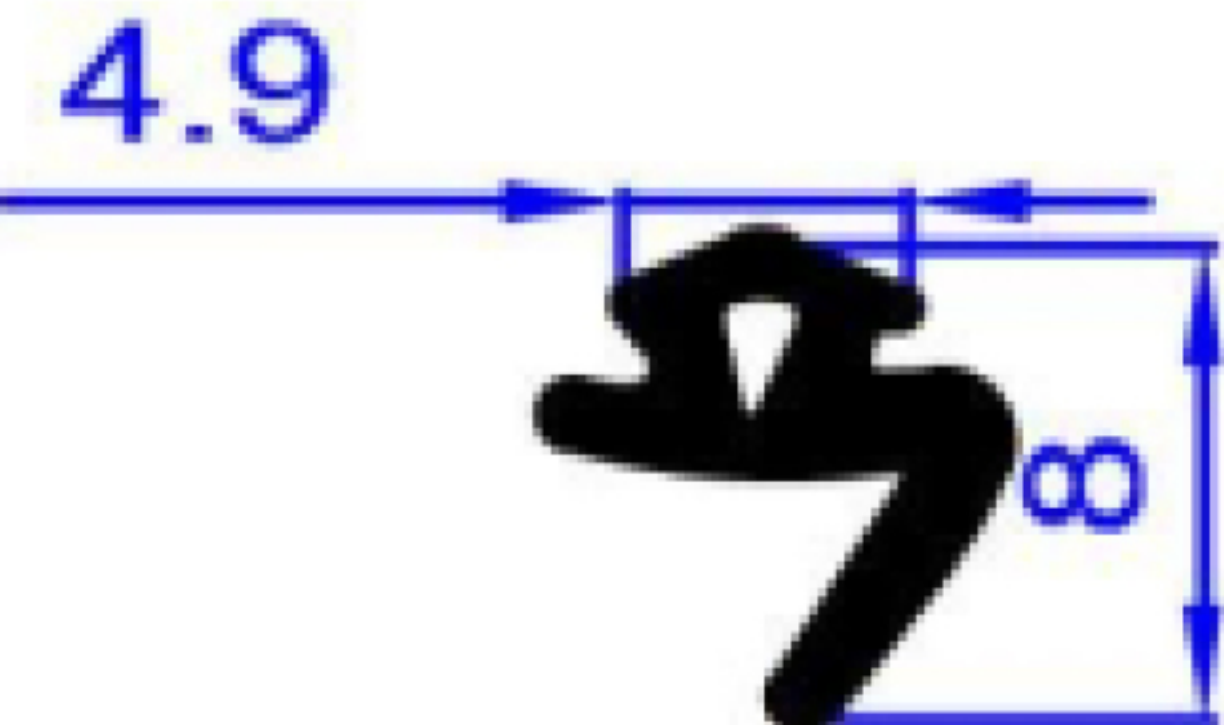

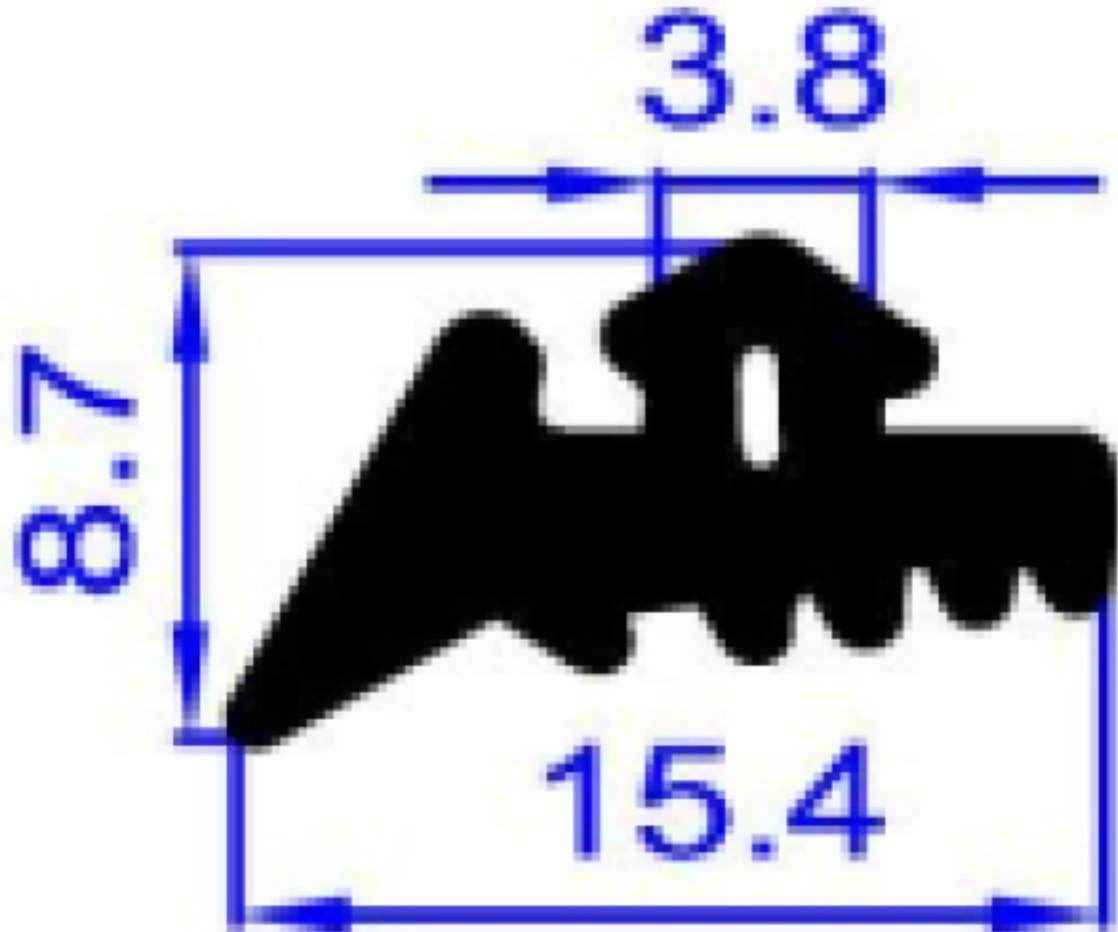

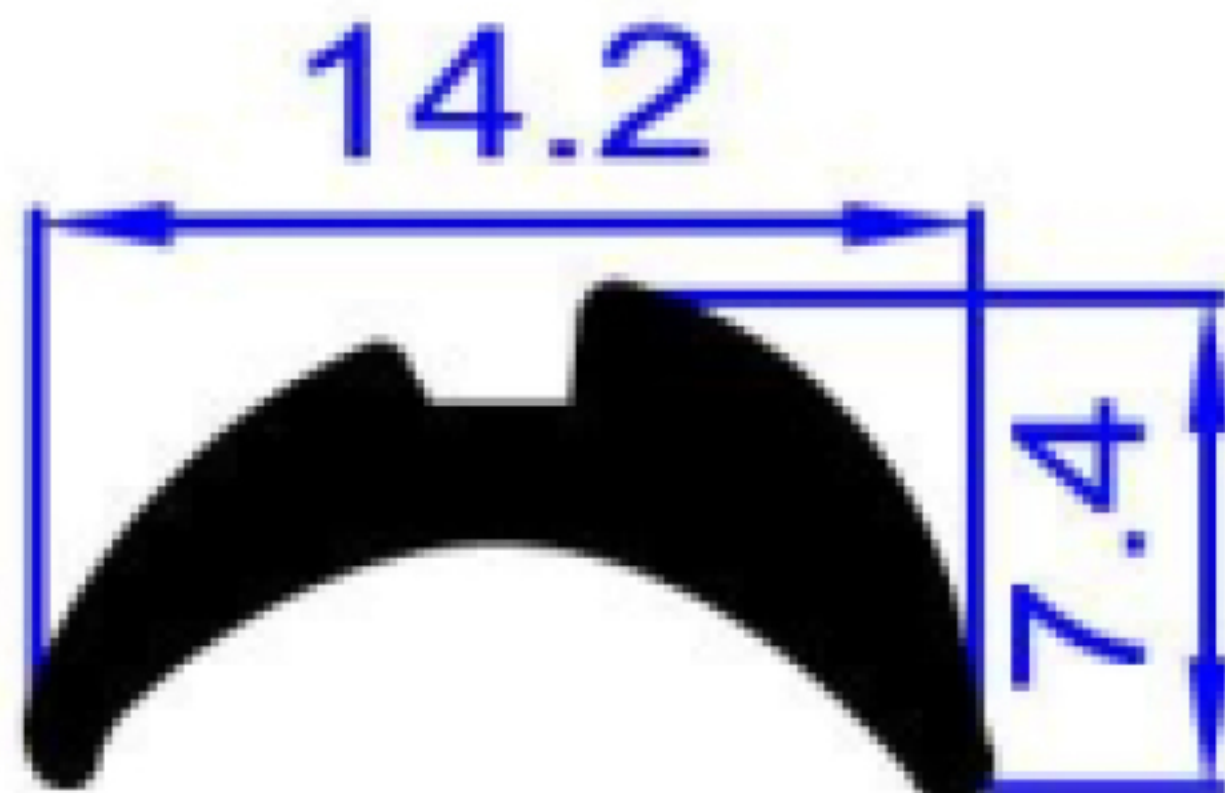

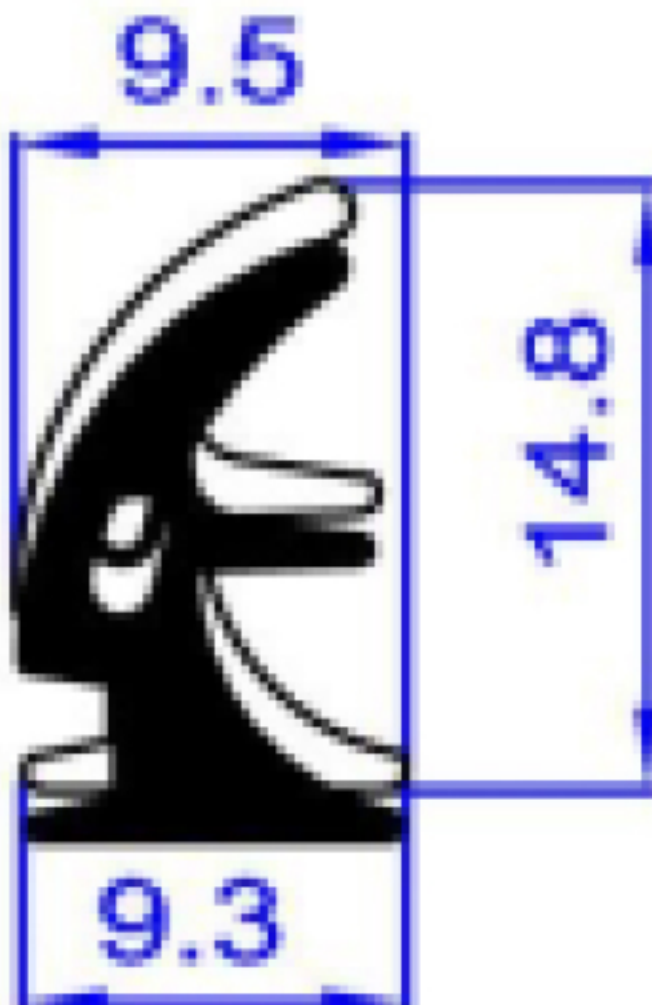

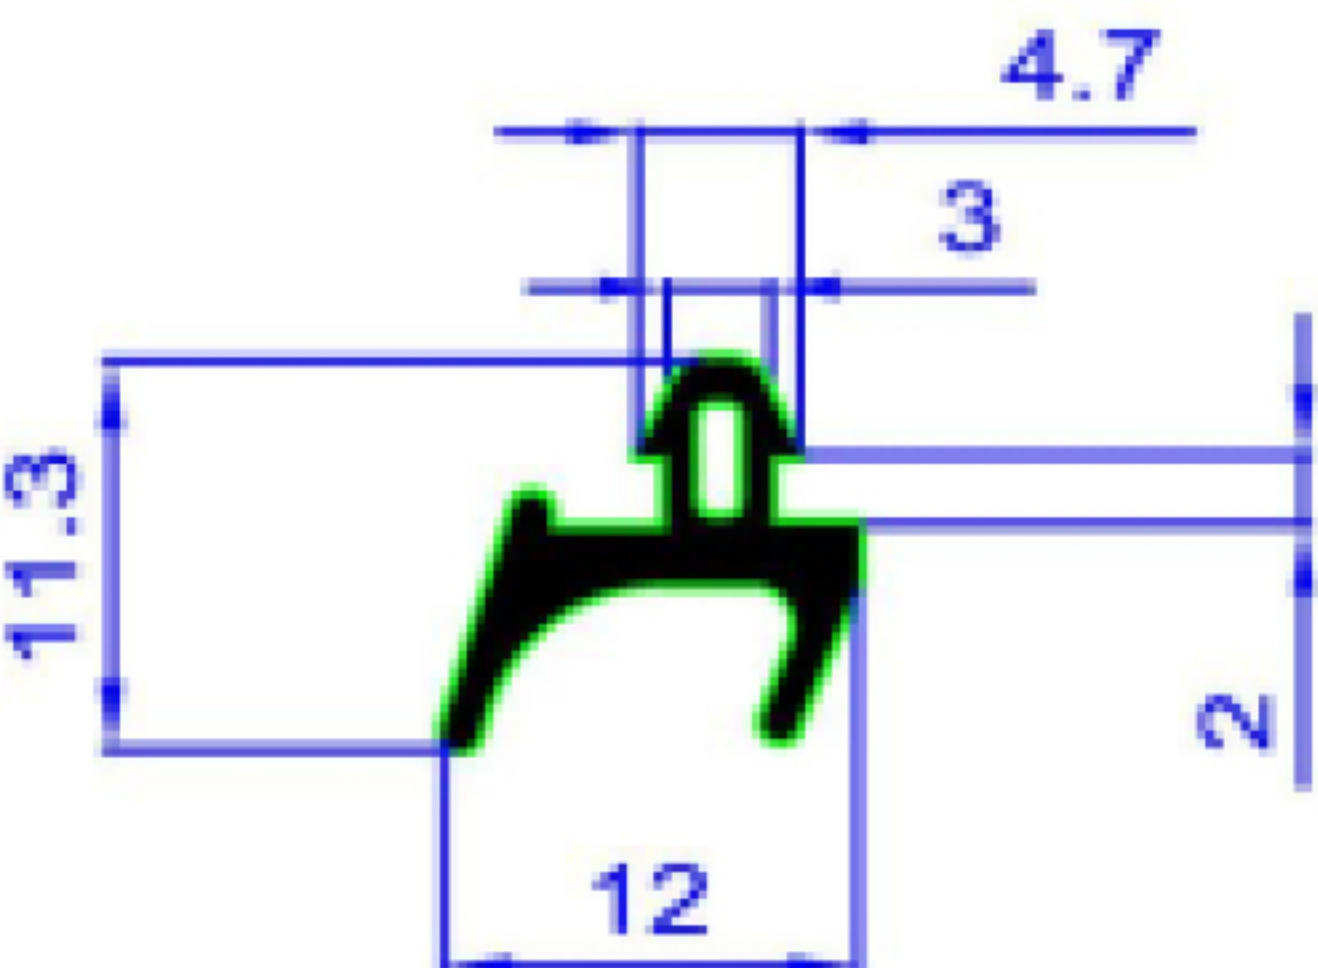

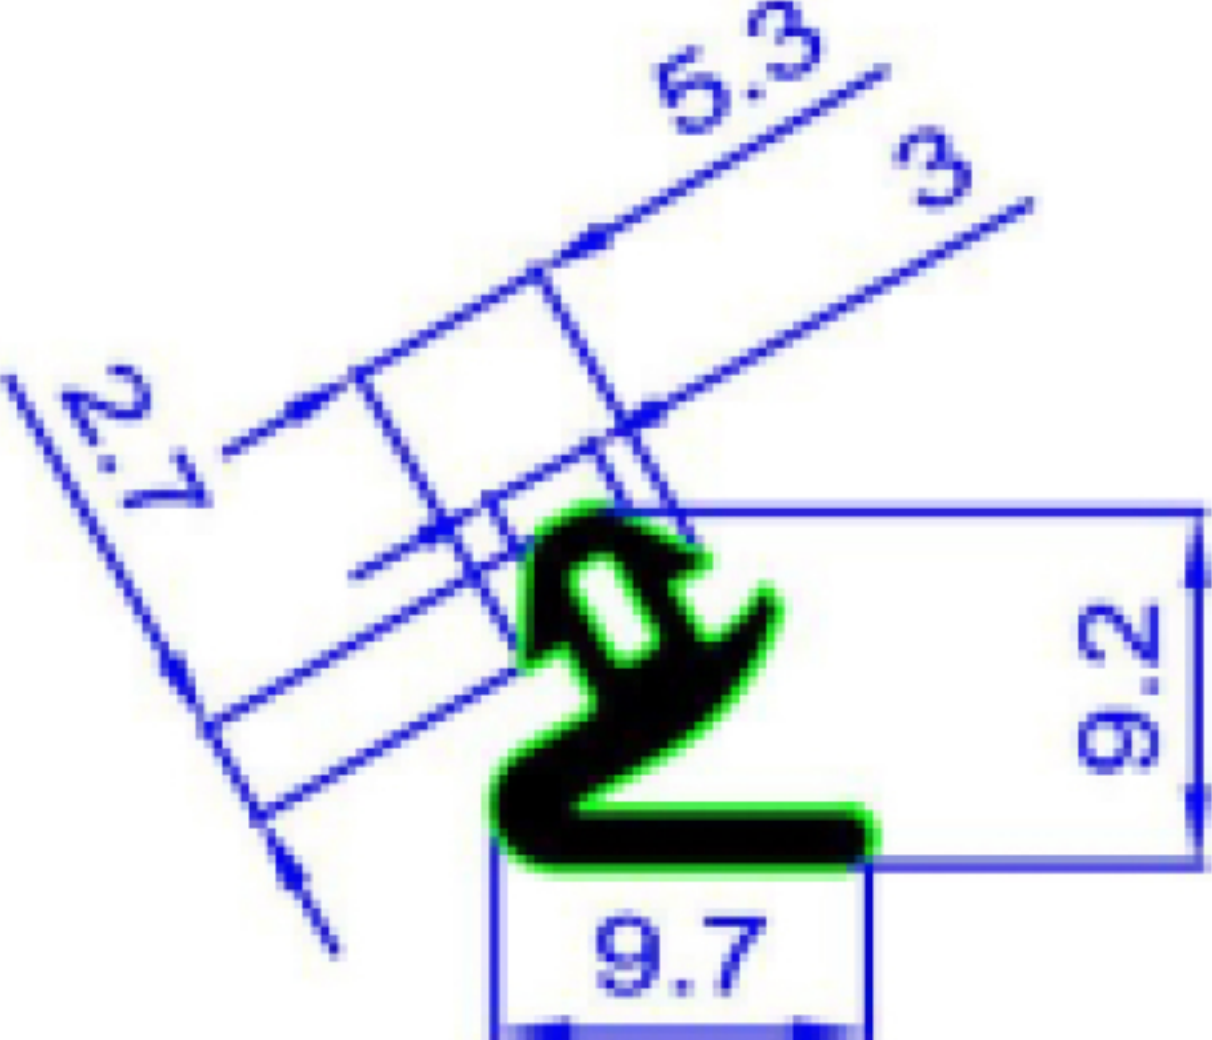

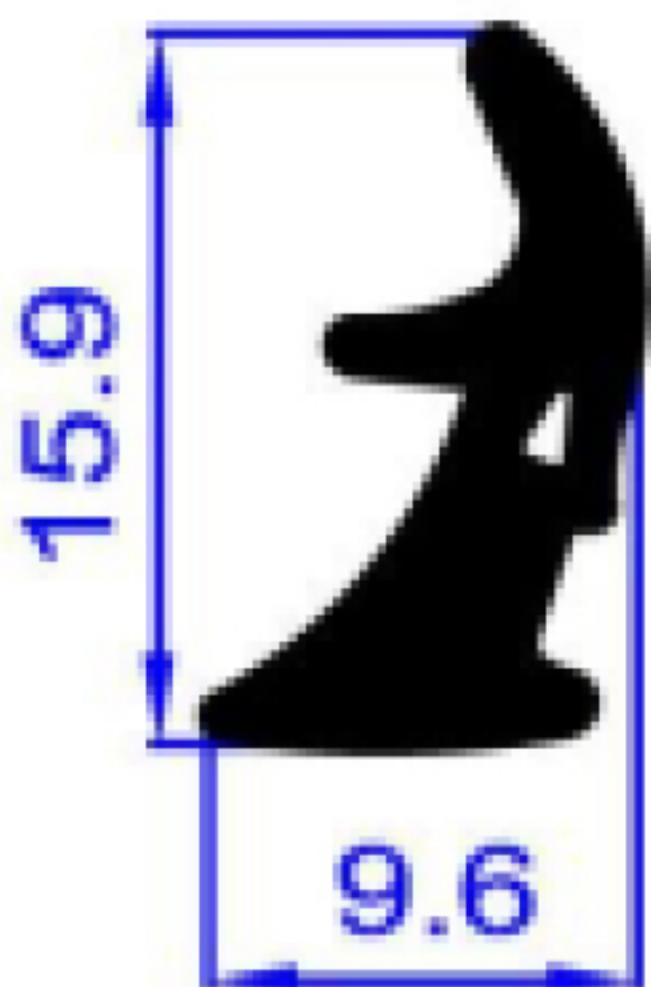

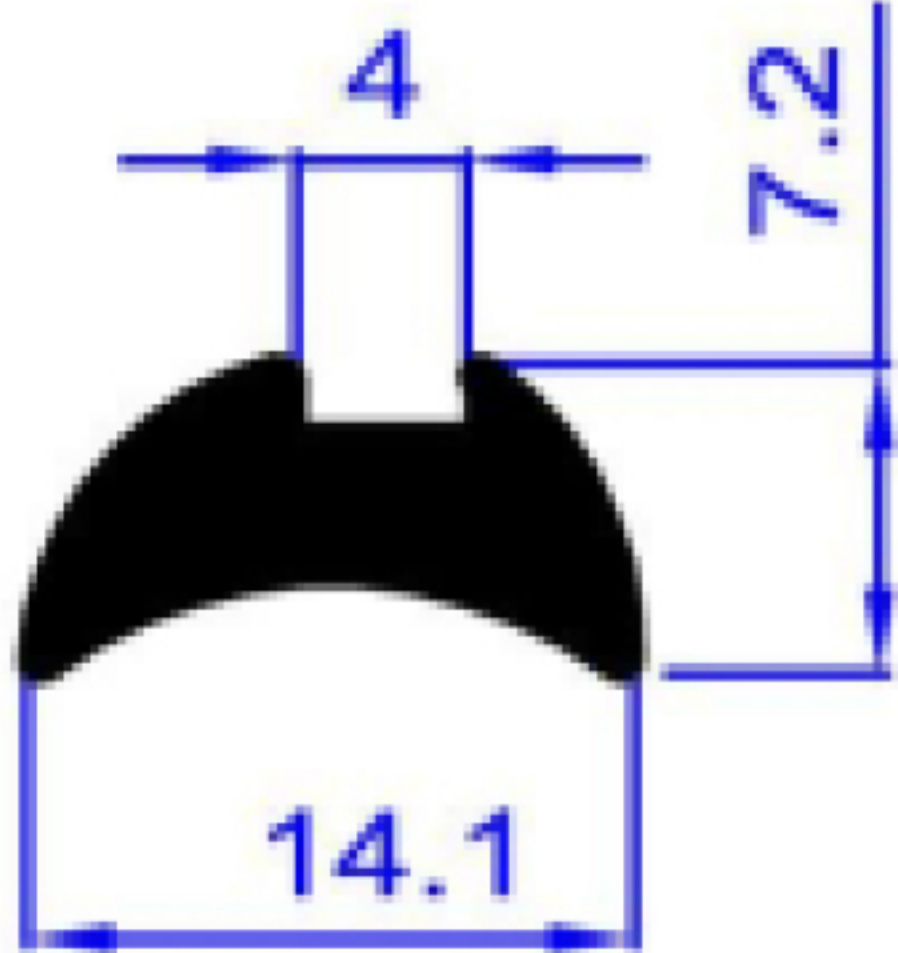

# WIND SHIELDS/SOLID RUBBER/BUILDING

Solid Profile are often known as EPDM Dense rubber profiles are made in different hardness as per customers specification and are used for the following application: A. Winds shields & fixed Windows Panels. B. Glazing Rubbers for Bus & Truck body building. C. Glazing Rubber for the containers sealing, Railways, Shipping application & others. D. Glazing profile for building & windows. These Profiles are Ozone & temperature resistant

# SPONGE PROFILE

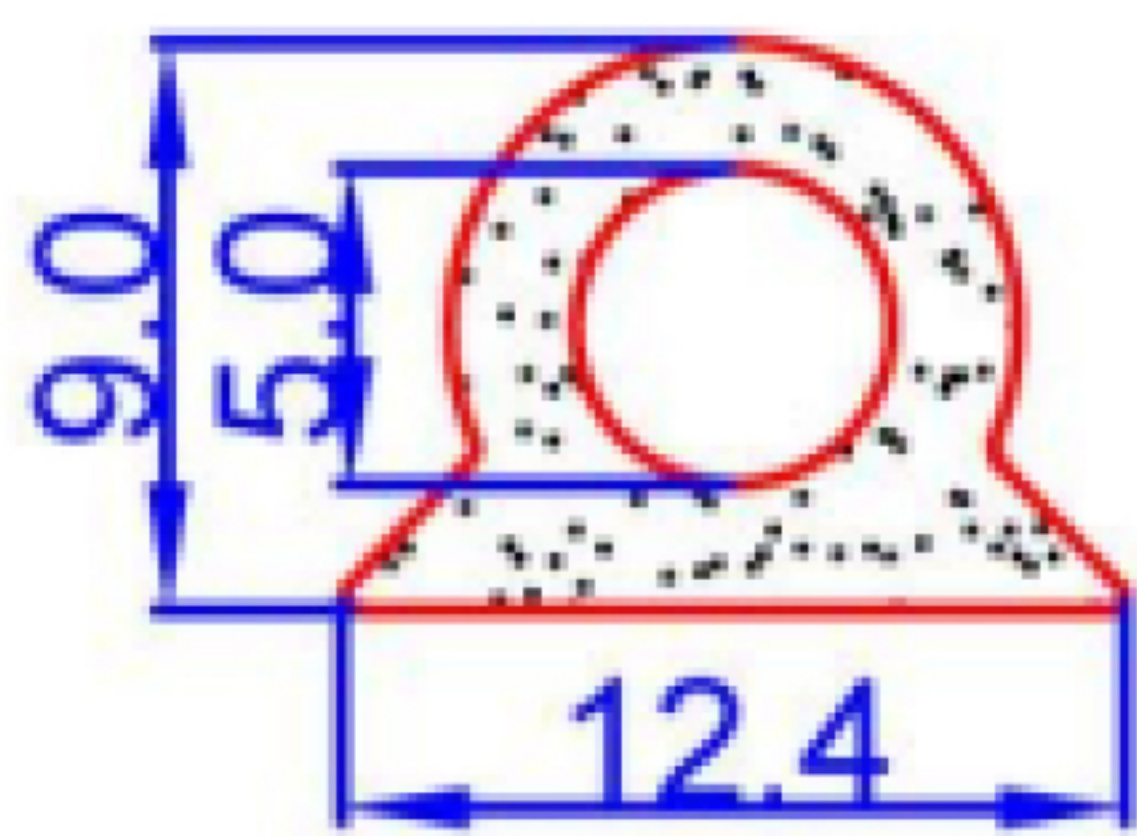

Victor Cellular door profile fit snugly into the hole of the auto body. With excellent compressibility, they are the best sealants for door. These Profiles provide better tightness and keep air, dust and water out effectively. They also ensure a smooth closing of the doors. And when the vehicle runs, their anti-vibration quality ensures a silent drive.

## Silicone Transparent Tubes

Our precious clients can avail from us an optimum quality range of Silicone Transparent Tubes that are used in pharma, chemical, food, medical industry. We offer these braided tubings in varied thickness and specifications. Our offered braided tubings are stringently tested on different parameters to maintain its quality. As per the requirements of our clients, we can manufacture these tubings using the best quality raw material and cutting edge technology by our adroit professionals.

## Silicone Strips

We are a well-recognized name that is affianced in offering our valuable clients a world class Silicone Strips. The provided strips are precisely manufactured using quality proven raw material and innovative technology in line with industry standards. Moreover, these strips are tested against various parameters in order to ensure their quality. Keeping in mind their diversified requirements, these strips are provided in various technical specifications.

## Silicone Sponge Solid Cords

With years of experience and knowledge in this domain, we are engaged in offering an excellent range of Silicone Cords that are available in transparent red and white color. The offered cords are manufactured at our sophisticated production unit using the best quality raw material and progressive technology in line with defined quality norms. Being a quality-oriented firm, we ensure our clients that these cords are excellent in quality
